LOCAL RACING TEAM TO UNVEIL VCP-THEMED CAR FOR 35th LUCAS OIL CHILI BOWL NATIONALS

RAMS Racing Honors Veterans At Country's Largest Dirt Racing Event

WHAT

Kansas City-based RAMS Racing has created two custom paint schemes to represent Veterans Community Project (VCP) at the 35th Lucas Oil Chili Bowl Nationals in Tulsa, Oklahoma. The Chili Bowl Nationals is the country's largest dirt racing event of the year.

Driver Clinton Boyles will join RAMS Racing owner, Rick Young, at Veterans Community Project to unveil the cars to the residents of VCP Village.

VCP Co-Founder Brandonn Mixon, a driver himself, sold his race car to help build the first tiny houses in VCP Village.

"This is our way of supporting VCP and helping raise awareness of the problem of Veteran homelessness," says Young. "100% of our winnings in Tulsa will be donated to VCP."

The Lucas Oil Chili Bowl Nationals are January 11th – 16th.

*****Please note that this event will be socially distanced; masks are required.*****
